

Piano Studio – Stefan Petrović

Studio Policy 2023-2024

Advanced Students

1. Lesson scheduling

Lesson time is agreed between the student and the teacher at the beginning of the collaboration. Since the needs of advanced students vary significantly, the lesson times can be either regular (occurring weekly or bi-weekly) or flexible (scheduled occasionally or in groups of a few lessons in a row).

2. Activities

Students are offered possibilities to play in public during student concerts. Students can also take part in group lessons where they can for example tryout new pieces in front of other students (advanced and beginner/intermediate) and receive feedback.

3. Billing

1. The lessons are billed at the end of each month. Only the lessons that were given during the month are included in the invoice.
2. Other billing options such as, fixed (automated) payments or larger one-time payments are also possible.

The mode of payment is decided at the beginning of the collaboration. This agreement can also be altered later should the student's circumstances change.

4. Cancellations

1. Scheduled lessons need to be cancelled at least 24 hours in advance. Late cancellations will be billed.
2. If the student (taking regular weekly or bi-weekly lessons) wants to stop taking the lessons, a notice should be given at least one month in advance.
3. If the student is unable to complete a lesson package or scheduled/paid lessons, due to illness or unforeseen circumstances, the lessons will be rescheduled, cancelled or refunded.
4. If the teacher is unable to provide scheduled and/or paid lessons, the lessons will be rescheduled, cancelled or refunded.

5. Lesson plans and fees for advanced students

All lessons for advanced students are 90+ minutes long

Lesson packages (90 minute lessons):

Introductory lesson package (only for first-time students) **6 lessons: €45 per lesson**

Package of 8 lessons that can be used flexibly over the period of one year: **€65 per lesson**

Package of 4 lessons that can be used flexibly over the period of half a year: **€75 per lesson**

Single lesson: €90 per lesson

Regular lessons (90 minute lessons):

Weekly or bi-weekly lessons for the duration of at least 3 months: **€60 per lesson**

Scholarships are available for highly motivated advanced students. The exact form and amount of scholarship is made for each individual case at the beginning of the collaboration (usually either after the first free-tryout-lesson or at the end of the introductory-lesson-package).

Performance opportunities: all longer plans include performance opportunities.

Lesson locations: lessons can be held at a studio in the centre of The Hague, at your home or online.

6. In-home and studio fees

1. In-home fee: For lessons that are given at the student's home, an in-home fee is added to the lesson price. The in-home fee price is calculated at the beginning of the collaboration, in each individual case and is based on the home location.

A rough guideline for calculating in-home fee is as follows:

Within 3-kilometre radius from the city centre: 5€

Between 3-6 kilometres: 5-10€

More than 6 kilometres: calculated depending on the situation.

2. Studio fee: When lessons are held at a location other than the student's home—for example, in Het Koorenhuis (Prinsegracht 27, The Hague) or at the Central Library in The Hague—a fee of 5 or 10€ is added to the lesson price. The actual fee depends on the location and lesson time.

7. Value Added Tax exemption

No Value Added Tax (BTW) is added to the lesson price for all students. This includes students older than 21 years of age (i.v.m KOR).
